NIC 05766-85

The Honorable D. Lowell Jensen
Deputy Attorney General
Department of Justice

Dear Mr. Jensen,

Attached are Intelligence Community data for use in the interagency budget review on resources dedicated to combatting narcotics. The Acting Director of Central Intelligence has directed that I provide only total Community figures with no breakdown by component. Therefore, the attached figures reflect the consolidated NFIB budget for the narcotics target in terms of dollars expended over the fiscal years 1983-85. Figures for FY86 have not yet been approved but are within DCI guidance. Figures for FY87 to FY99 are outyear projected allocations.

Sincerely,

Charles E. Allen
National Intelligence Officer
for Counterterrorism and Narcotics
